

Are you a graduate or about to complete your degree?

Do you want to find out more about teaching as a career?

Come and talk to us about training to teach in schools with practising teachers as your tutors.

The Doubletree Hilton Hotel Granary Wharf, 2 Wharf Approach, Leeds LS1 4BR

Saturday 14th October 10-1pm

We represent School Centred Initial Teacher training partners from across West Yorkshire working in early years, primary and secondary teacher training. We have salaried and unsalaried places on our programmes and we offer QTS and a PGCE. Our programmes are exactly like a University programme except that they are entirely taught in schools by current teachers.

Come and meet with us and find out more. To book online here <https://www.eventbrite.co.uk/e/get-into-teaching-tickets-37690215449> or contact fmackay@teamworkstsa.org
