

Lindley CE Infant School Sports Premium Statement 2017-18

The PE and sport premium is a government funding stream designed to help primary schools improve the quality of PE and sport activities they offer. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that the Sports Premium should be used to:

- develop or add to the PE and sport activities that our school already offers
- build capacity and capability within our school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Summary Information

School	Lindley Church of England Infant School		
Academic Year	2017-18	Total PP allocation	£18400
Total number of pupils	360	Number of pupils eligible for SP	240
Total spend to date	£10,075	Remaining	£8325

1. Engagement of pupils - The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Focus	Activity	Desired outcome	Costs	Impact
Pennine sports partnership	Play Buddy Training	Children develop leadership skills to support play in school	Part of SSP provision
